

CLASS-X

EDUCATIONAL TRIP TO HINDU NEWS PAPER PRESS

Students of Class-X visited the Hindu news paper office on 20th & 21st July,2017. The students expressed their immense satisfaction over the visit. They shared that the staff were very co-operative and answered to their queries with lot of patience.

Sri S Vasudeva Murthy, News Editor explains about news editing

The visit to the press enlightened the students on:

- The different stages involved in the production and printing of newspapers.
- The plate technology and the four colour combinations used in the printing.
- The functioning of the printing machinery from the loading of paper rolls to the release of folded printed newspapers at the output counters.
- The page-mentation and editorial works.

The students were highly benefited by the interactive sessions with the senior correspondents, News editor, Bureau Chief and also the rare chance of meeting the Editor- in-Chief of Andhra Pradesh.

The publishers complemented the students by saying that each one of them is a citizen journalist as they make different postings in the WhatsApp. Also they cautioned them that they are responsible for every post made by them. Each one of them was reminded that they are the custodians of the Indian tradition and culture at their own levels. What fantastic lessons for life!

Interaction with Sri IVS Parthasarathy ARM, circulation

The school thanked the press, esp. Sri S Vasudeva Murthy, News Editor and Sri IVS Parthasarathy, ARM, Circulation for the support and co-operation extended.
