

YEAR AT A GLANCE

1. PRERANA UTSAV – 2024

An initiative of Department of School Education & Literacy, Ministry of Education, Government of India to be implemented by Navodaya Vidyalaya Samiti. Prerana is a transformative one week experiential learning program designed to empower the youth of the country. This immersive experience combines cutting-edge technology with heritage of Bharat and inspirational teachings, welcoming 20 selected students from 10 districts at a time, covering all the districts in the country.

Our students took part in it and a girl i.e., A.Sri Kavya got selected for the regional level.

2. IAC 2024 CONCLAVE

Our students took part in IAC-2024 Conclave organized by PB Siddhartha College of Arts & Science in association with Andhra Pradesh Akademi of Sciences, Amaravati with the theme “ECOTECH, Industry trends in Data Science, AI & Energy on 16th April, 2024. The following students were merited with various positions.

Si.No	Student’s Name	Class	Event	Position
1	Sayan Mallick Chowdhury	X	Paper Presentation	I
2	Keerthi Naga Anu Sahitya	IX	Paper Presentation	II
3	Upama Nath	IX	Poster Presentation	I
4	Ch.Sri Charith	IX	Poster Presentation	II

3. EARTH DAY CELEBRATIONS

Our students took part in the Quiz competition organized by the Green Club, PB Siddhartha College of Arts & Science in association with AP Pollution Board on the occasion of Earth Day, 22nd April, 2024. Our school team (T.Reshika, V.Ramyesh Naik & K.Gunaveer) bagged II position at Seniors Category.

4. ENRICHMENT PROGRAMME

Conducting enrichment programmes for the benefit of the teachers in the beginning of every academic session is the philosophy of our school. Our convenor Smt. Veerapaneni Sasikala garu is always conscious of the competency levels of our teachers. She always

looks for good resource persons throughout the academic year to boost our teachers and keep them updated. So, this academic year the school has planned for training sessions for teachers on 29th April & 6th June to 11th June, 2024. Eminent resource personalities were invited to address the teachers on various current topics that essentially match the needs of the staff and the students.

Si. No	Date	Time	Topic	Resource Person
1	29-04-2024	9AM – 4PM	Happy Classrooms	Mr.M.Seeta Ramaiah Principal, VPSP School Mr.G.Janardhan Reddy English Faculty, Viswansanthi Educational Institutions

The students of class IX visited “The Fourth State Plasma Exhibition” , which is an interactive peek in to the fascinating world of plasma organized by Department of Physics, P.B. Siddhartha College of Arts & Science on Dt : 05-08-2024. The students observed around 25 models on Plasma, which is the fourth state of matter. They understood the applications of Plasma state in skin treatment, stain removal, water purification, eye surgeries, recycling of medical wastes etc... The students got excited with the new state of matter and enjoyed the session.

13. SWIMMING POOL - RENNOVATION

Our school swimming pool was renovated at a cost of 74 lakhs to extend improved facilities to the students. It was inaugurated on 09-08-2024 by the President of Siddhartha Academy, Sri.Chadalavada Nageswara Rao. In his inaugural address, he brought out the importance of physical fitness. Thirty minutes of regular swimming would burn a good amount of calories and keeps one healthy and fit. Some of our students presented a variety of swimming feats. Members of the management, school convenor Smt.Veerapaneni Sasika;la, principal, teachers and students took part in the ceremony.

14. INDEPENDENCE DAY CELEBRATIONS

Independence Day was celebrated in our school campus on 15th, August, 2024. The chief guest for the occasion was Sri.Dommeti Srinivas, President I/C of AP State Consumer Disputes Redressal Commission, Vijayawada. In his address, he recalled the sacrifices of freedom fighters. He also shared that one should try his level best to serve the society. The school give equal importance to co-curricular activities. School convenor Smt.Veerapaneni Sasikala shared that India has strong roots for yoga and meditation. The one who practices the same can gain both physical and mental balance. School principal, Mr.Manoj Karmakar greeted all the students, teachers and parents on the occasion.

15. SCIENCE EXHIBITION

In today's era, education is not confined to reading and writing. It is now linked to the holistic development of children. This is the reason that our school leaves no stone unturned to help students to experiment with their knowledge and provides them different opportunities to showcase their skills.

The school has organized a science exhibition on **August 17th,2024**, where the students of all the classes involved. The students prepared around 80 projects with a short notice for their preparation.

The school invited Dr.G.Bindu Madhavi. M.S (Ophthal) Trinetra Eye Hospital, Vijayawada as the chief guest. She was highly delighted and overwhelmed by the active participation and innovative ideas of the students. She appreciated the team efforts of our students and teachers in successfully organizing such a mega event. The inspirational words of the Chief Guest, Convenor and Principal motivated the students to proceed further. The parents were also provided an opportunity to visit the exhibits. The exhibition made our students more confident, creative and develop scientific approach.

21. EDUCATION WORLD

We have been taking part in the in the ranking system organized by **Education World** to know where we are in this competitive world and receive positive feedback which is a motive force for us to go further with the best possible practices for comprehensive development of the children.

Education World – The Human Development Magazine was promoted in 1999 as India's and Asia's first education news and analysis monthly magazine with the mission statement to “build the pressure of public opinion to make education the No.1 item on the national agenda”.

Education World in association with [C fore](#), presents the Education World India School Rankings (EWISR) 2024-25 that rates and ranks India’s best and top schools in over 300 cities. To compile EWISR 2024-25, 11,458 sample respondents — educationists, principals, teachers, SECA (socio-economic category) parents and senior school students in 28 cities countrywide were interviewed by 118 [C fore](#) field researchers over a period of

four months (June-September). The annual EWISR is the world’s largest schools ranking survey.

We are happy to share that we have been gradually progressing in all aspects from the past years as shown below and bagging the better rankings in the category “**Co-ed Day-cum-Boarding School Ranking**”.

	2020-2021	2021-2022	2022-2023	2023-2024	2024-2025
Country Rank	58	51	43	56	54
State Rank	7	6	3	5	5
City Rank	2	2	2	2	2

The students exhibited around 90 models. Our Chief guest Mr.I.V.Venkateswara Rao, HOD of mathematics department in PB Siddhartha College of Arts and Science, emphasized on the number 1729. That 1729 as the sum of two positive cubes. 1729 is the smallest nontrivial taxicab number, and is known as the Hardy–Ramanujan number and also about Ramanujan's life.

Our convener Smt. Veerapaneni Sasikala garu gave message to the students, to overcome math phobia and our principal Sri.Manoj Karmakar Garu extended the speech towards Ramanujan's contribution to Mathematics.

36. 34th Annual Day Celebrations

KCP Siddhartha Adarsh Residential Public school, Kanuru, celebrated its 34th Annual Day in the school campus on 08th January, 2025. Shri.AB.Venkateswara Rao, IPS, Former Director General, AP was the Chief Guest of the occasion.

In his address, was all praise for the wonderful green environment of the school. He advised the students to learn more languages and go beyond books. He shared that the students are to develop inter-personal skills in order to be successful in their lives. He also expressed that a balanced education is required for a balanced mindset. And also to integrate knowledge with daily based activities. He advised the parents to spend some time with their wards and also monitor their activities closely.

Sri. Malineni Rajayya garu President of Siddhartha Academy shared that the school is offering quality education with a good infrastructure at a minimum fees.

Smt. Veerapaneni Sasikala, School Convenor shared that children always love stress-free education. The teachers should be emphatic towards children. She also gave emphasis to value-based education.

Sri. Tarun Kakani, President of School Alumni Association, advised the students to be role models in their lives. He stressed on the importance of sports and games. A strong body leads to a strong mind. And also to take part in all the co-curricular activities.

Principal Sri. Manoj Karmakar, welcomed the parents, guests and thereby presented a detailed Annual Report of the school for the academic year 2024-25.

It is a regular feature in the annual day to honour the winning houses of the school and the students who brought laurels to the school and the parents with their merit.

37. SRUJANA -2025

“Co-curricular activities give a lead to the overall development of a child. And creativity is the key to success”, opined Shri.Suvenu Sekhar Das, Regional Officer, CBSE Vijayawada who was the Chief Guest at the inauguration of ‘Srujana-2025’ in the premises of Siddhartha Academy. ‘Srujana’ is an annual exhibition of art and craft innovatively presented by our students. School Convenor Smt. Veerapaneni Sasikala in her address shared that children should develop their imaginative and artistic skills for their bright future. Principal Sri. Manoj Karmakar congratulated the students for their exemplary effort. The different models prepared by the students were a feast to the eyes of the visitors, teachers, students and parents who visited the exhibition in large numbers.

38. ISHRAE ACTIVITY

ISHRAE (Indian Society of Heating, Refrigerating and Air conditioning Engineers) Vijayawada & Deccan Chapters organized activity on “Air Conditioners” and explained it’s various components on 08th February, 2025. Dr.Sandeepani Vajje was the guest speaker of the occasion. The team has organized drawing competition and JAM to the students of classes VI to IX. The best three were given mementoes & certificates.

39. AI BOOTCAMP FOR HIGH SCHOOLERS : DIVE INTO THE FUTURE OF TECHNOLOGY

The Department of Information Technology, in association with IQAC, SAHE, Kanuru, Vijayawada, successfully conducted an AI Bootcamp on 10th February 2025. The students of classes IX & XI attended the session. The highlight of the event was an engaging session by III/IV B.Tech students, who introduced high schoolers to the world of Artificial Intelligence (AI) covering its fundamentals, applications, and future potential. Their insightful presentation simplified complex AI concepts, making them accessible and exciting for young minds! This outreach program aimed to spark curiosity and inspire students to explore the limitless possibilities of AI in shaping the future.
